Solutions (11-15):

In each step one word and one number are rearranged. The word which comes first in the dictionary is placed at the extreme left position followed by the lowest number. In the second step, the word which comes second in the dictionary is placed at the extreme left position followed by the second lowest number. The same process is continued till all the words get rearranged in the reverse order of English alphabet and all the numbers get rearranged in descending order.

Directions (26-30):

26. (2) clearly, the statement calls for customer-oriented solutions. Hence II follows while I does not.

27. (5) both meditation and regular exercise are considered to be stress-relievers.

28. (1) since the fever is "mysterious", routine tests do not address the problem very precisely. The bigger institutions need to step in.

29. (1) I follows because decentralization will reduce bureaucratic hassles and thereby lure foreign investors. II does not have any direct relevance to luring FDI.

30. (4) I does not follow because it makes little sense to invite delegates so early. II does not follow because we don't know whether city X is in Asia.
