  - Concepts of Profit and Loss
  - Practice Questions
  - Previous Year Questions
  - Solution
10. Geometry
  - Line and Angle, 2D or Plane figures, Triangle, Circle, Quadrilaterals, Rectangle, Square, Kite
  - Practice Question
  - Previous Year Questions
  - Solution
11. Mensuration
  - Triangle, Quadrilaterals, Circle, Rectangle, Square, Area and Perimeter
  - Practice Question
  - Previous Year Questions
  - Solutions
12. Nature of Mathematics
  - Nature of Mathematics
  - Language of Mathematics
  - Techniques of Teaching Mathematics
13. Mathematics in Curriculum
  - Mathematics in Curriculum
  - Community Mathematics
14. Evaluation
  - Evaluation
15. Problem / AIDS
  - Problems of teaching Mathematics
  - Error Analysis
  - Diagnostic and Remedial Teaching

### **Mathematics Pedagogy Multiple Choice Questions**

## **Section - E Environmental Studies**

### **Environmental Studies**

1. Family and Friends
  - Relationships
  - Work and Play
  - Animals
  - Plants
  - Practice questions, Answer key & Detailed Explanation  
(Including Previous year questions)

2. Food and Nutrition
  - Food
  - Nutrition
  - Water
  - Shelter
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
3. Travel
  - Things we make and do
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
4. Practice Questions

### **EVS Pedagogy**

5. Concept and Scope of EVS
  - Significance of EVS, Integrated EVS
  - Environmental Studies & Environmental Education
  - Scope & relation to Science & Social Science
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
6. Learning Principles
  - Approaches of presenting concepts
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
7. Activities
  - Experimentation & Practical work
  - Discussion
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
8. Continuous and Comprehensive Evaluation (CCE)
  - Teaching material / Aids
  - Problems
  - Practice questions, Answer key & Detailed Explanation (Including Previous year questions)
